The LIFE Station is now open!

Come and take a look around The LIFE Station, the new Adult and Community Learning Centre in Folly Road, Trevethin. The centre is now open from 8.30am to 4.30pm and from September will be offering a full range of activities during the day and in the evening. Meeting rooms are available to hire and we will also be looking to provide access soon to Customer Services Advisors and to offer facilities for payments of council tax etc.

During Adult Learners' Week we are inviting everyone to come and take a look at the excellent new facilities and to meet some of the staff who are on hand to assist you.

Wednesday 19th May 2010 10:00 AM - 4:00 PM

Welcome to the new LIFE Station. Come and meet a LOCAL HERO, have a look around and find out what the centre has to offer you. Come and meet your Flying Start team and see your new Child Health Clinic and superb Crèche. See the new facility for weaning education where you will learn to cook your own food with confidence for you, your baby and family.

Saturday 22nd May 2010 10:00 PM - 4:00 PM

Family and Intergenerational Learning Day gives you another opportunity to come to the LIFE Station with the family and have a go at bread making, planting your own salad or herb pot, creating a digital story on the computers or enjoy a cookery demonstration. Come along to story time in the crèche, find out about 'Learn with Grandma' or try out some art and craft activities. Join us for all this and more.

FREE light refreshments are available on both days.

We are keen to include your thoughts and ideas as we plan a programme of activities at The Life Station. If there are any courses, day schools or other activities that you would like to see provided, please list them below. Your opinions are important to us.
